

During the peak of the second wave of the pandemic, Dr. Sneha Vikram and her team played a crucial role in triaging of 3,000 patients per day in Bengaluru South for 50 days. In addition to triaging, Dr. Sneha Vikram was also instrumental in raising funds for procurement of oxygen concentrators and providing ventilators to those in need.

The service rendered by Dr. Sneha Vikram and her team is commendable and is a true reflection of the spirit of selfless service. On behalf of the residents of Bengaluru South, heartfelt gratitude is extended to Dr. Sneha Vikram and her team for their tireless efforts in the fight against the COVID-19 pandemic.
